

Europcar has established itself as one of South Africa's leading global car rental companies. The professional, reliable rental experience expected from Europcar is the result of decades of commitment to creating a brand that delivers locally relevant, world-class service excellence, from the extensive network and fleet, simple booking tools, to the effortless check-out process and even the little signature Europcar mints in the consol.

Europcar is a member of the Motus Group. Motus is South Africa's leading automotive group with unrivalled scale and scope in South Africa, with a selected international presence in UK and Australia.

Discounted Rates Overview

FEDHASA Discount Redemption Process - The process of discount redemption will be via integrated API on the Red Rewards Platform

Interim Redemption Process - While we await the completion of the integration, the discount redemption process will be handled by making bookings at Travel@design7.io
